The Special Edition GS 300 X Sports.

What precisely does 'X' stand for?

'Extraordinary' style for one. As you look over the GS 300 X Sports, notice the distinctive 18" 5-spoke alloy wheels. Look a little closer and you'll see the 'X' badges on the front quarters. Then on the bootlid, there's a sleek rear spoiler complementing the vehicle's flowing contours and efficient aerodynamics. Less obvious is the slim credit card sized Smart Key Card that you can tuck discreetly into your wallet or handbag, allowing you to unlock the door simply by gripping the handle.

'X' also means exceptionally easy parking, thanks to the clearance and reversing sonars which guide you into and out of tight spots.

Once you're seated in the leather accented interior, touch the controls of the power operated moonroof, push the start button and the truly special driving personality of this Special Edition is brought swiftly into focus.

The Special Edition GS 300 X Sports Luxury.
