

— LEXUS CAPPED PRICE SERVICING CRITERIA

The Lexus Capped Price Service (CPS) quotation is model (and in some instances build date) specific and applies to the standard scheduled logbook services. It is based on normal operating conditions for the service interval duration or service interval kilometers (whichever occurs first), up to a maximum number of services, as shown in the table below:

1 The Capped Price Servicing period will commence on the Vehicle's Warranty Registration Date.

2 Lexus vehicles purchased by Lexus Corporate Customers, which are eligible for Complimentary servicing are not eligible for Capped Price Servicing.

3 Capped Price Servicing will expire upon the first to occur of any of the following three conditions:

- a. the performance of the maximum number of Standard Services eligible for Capped Price Servicing, as listed in the table above.
- b. the expiry of the CPS Duration period for the specific vehicle (and specified build date, if applicable) from the Warranty Registration Date, as listed in the table above; or
- c. the relevant vehicle (and specified build date, if applicable) showing the maximum number of kilometers or more, on its odometer, as listed in the table above.
